## 2008 555 Event

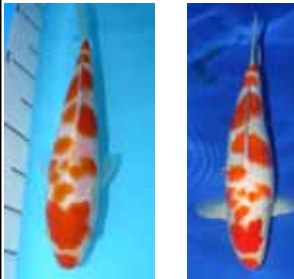

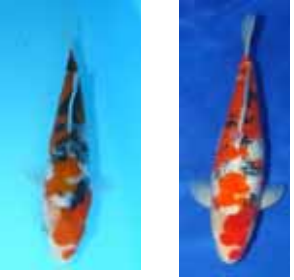

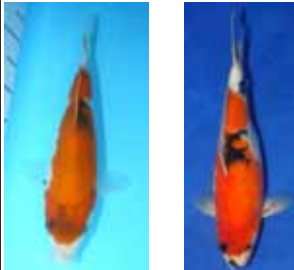

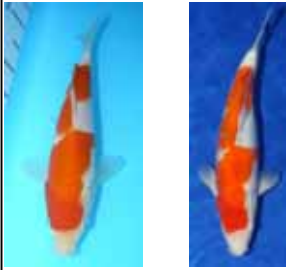

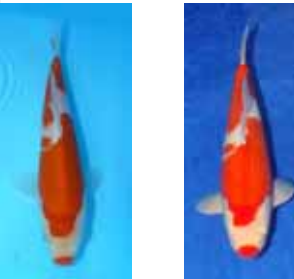

# RESULTS

Below are the results from our 2008 555 Koi Event.

On May 5th, we offered up 55 of our best tategoi to sai in the size range 7-8".

These koi were sold on first come basis and included free keeping in our mud ponds for the 2008 growing season.

On Sunday of our Main Event we harvested these koi.
